**The Spirit of Unrest**

Reaction from the stress of war, the High  
Cost of Living, and the disturbed con-  
ditions in industry throughout the  
world have combined to lower the  
morale of workers in many lines.

In the factory, in the mill, the high de-  
gree of pep and enthusiasm is lacking  
and production lags. Even domestic  
service has caught the contagion, as  
every housewife knows.

We think the claim none too broad that  
employees of the Bell System have been  
less affected by the spirit of unrest than  
the majority of other workers. Yet its  
effects have been felt and will continue  
to be felt until the world begins to  
swing back to normal.

The telephone management is doing all  
in its power to remedy conditions and  
restore service to pre-war standards. It  
asks the patience and co-operation of  
the telephone users.
